## Read the text and choose the best answer.

Family time is when family members do things together. Ways of spending family time are different for different families, from taking a family holiday in a nice place every year, or planning a family movie night every week, to having one meal together every day. Some families spend time together just by having regular family meetings. Family members can sit together to discuss important issues and make decisions, or just have casual chats. Some people may think it is simple for everyone in the family to get together. However, in many case, parents as well as children have to adjust their own timetables to make time to be with their family. Family time is important as it helps make the bonds between family members stronger, builds confidence for all of its members and creates fond memories of happy experiences.

## Question 24. What is family time?

- **A.** Family time is when family members do not do things together.
- **B.** Family time is when family members do things together.
- **C.** Family time is not when family members do things together.
- **D.** Family time is when school members do things together.
